

Desert Oasis Diamondback Marching Band and Color Guard BOOSTER CLUB

DOHSBand.com

September 2016

Dear Sir/Madam:

The Desert Oasis High School Marching Band and Color Guard is entering its eighth year of operation. In this time, the marching band has continued to grow in size while consistently improving on its scores each time they have marched in competition.

Because of this exciting growth the band's expenses have grown as well. With district-wide budget cutbacks, the bulk of the funds necessary to run the band have been borne on the backs of our hard-working band families, friends and sponsors.

The DOHS Band and Color Guard is an exceptional group of students who recognize the reward of hard work, dedication and teamwork. Last year, we made finals at the MBO's Nevada Championship. Our Wind, Saxophone and Percussion Ensembles have all received Superior ratings at the county Solo & Ensemble festival, and our Winterguard has won 1st place in their division three times in the SNIPGA Winter guard competition. We now have a Winter Drum Line as well, which has placed second and first consecutively. For a bit of fun, the band was also asked to participate in the 2012 television commercial to promote the Life Is Beautiful festival and has performed in Hawaii and at Disneyland.

Would you please consider adding your company to our list of generous sponsors?

Thank you for your consideration,

Lisa Joyce
